

EUROSTARS HOTEL COMPANY MÁLAGA PHOTOGRAPHY PRIZE 2024

Theme: “Málaga, Picasso’s muse”

Eurostars Hotel Company invites citizens and visitors to participate in the **Eurostars Hotel Company Málaga 2024 Photography Prize**. The winners of the contest will be the authors of the photographs that, according to the jury's criteria, best capture the theme "**Málaga, Picasso's muse**".

Pablo Picasso was born in Malaga in 1881, where he spent his childhood. The atmosphere and daily life of that prosperous period, with its great commercial and port activity, was the seed of some of the recurring themes of his work, such as **flamenco, pigeons and bullfighting**.

Art experts have seen a series of symbols associated with Malaga reflected in his work: **the key of his Málaga eye, the jasmines, the black sand of the beach**, etc. These indirect allusions are evidence of Picasso's longing to return to his native city after his departure to A Coruña in 1891.

The Eurostars Hotel Company Málaga Photography Prize invites amateur and professional photographers to **portray the cultural and symbolic elements of the city that inspired Picasso's work**; without them he would not have become the genius he was.

The following prizes will be awarded:
